Hi Becky,

At the moment I am sitting in the sun next to the swimming pool. Our new life in California is a dream! I am only joking. My life here in California isn't much different from what it was like in the Midwest. Every day I get up, I go to school, do my homework and go to bed. But some things are different. For example, it doesn't rain much. It's always warm. We usually spend weekends at the beach. At the moment I am learning how to surf. What are you doing right now?

I miss you,

Sandy
