# Day ○ LET'S READ!

Hi Alex,

Thanks for your email. We are back from our holidays in Italy. We had a lot of fun there. The weather was great and the food was fantastic. There was only one day with stormy weather when we couldn't go to the beach. We ate a lot of shrimps and, of course, a lot of pizza. Rick liked the pasta best. He ate it every day, because he doesn't like fish. The sea was warm and the water was great. Dad did a lot of work on his laptop and mum read all three books she packed in her suitcase. My mum really loves reading. Rick and I built ten sandcastles on the beach. One day we went jogging. It was great to feel the warm sand under my feet. On the last day we went on a small cruise. Rick got seasick. He was really green in his face. Poor Rick.

The next two weeks Rick and I are going to spend at my grandparent's farm. There is always a lot of work on the farm, but I am looking forward to see all the animals. We are going to feed them and we are going to play with the cats and the rabbits. We are also going to build a tree house there. This is my last email, because my grandparents haven't got internet. See you soon.

Yours Anna
