4	3	2	1

**Aufgabe 3**

- ActionNow* helps people who (that) don't have much money. The organization works in third-world countries. They help children to become (get) educated and also help villages with many different projects.
- Most people in the *RNLI* work for free (nothing/ no money). Their work is very hard (difficult/ risky/dangerous) at times and every day they could (may) be killed. They rescue people at sea or at the coast, including people's pets.
- Wild Trust* began not very long ago. They help birds and animals. They want people to get to know the countryside better. They have many projects planned for the future.
- Don't Fall Down* wants to look after (repair/rebuild) old buildings. Many of the buildings need a lot of rebuilding. But when they are finished the buildings look beautiful again. They then try to find a good use for the building.
