*Musterlösung:*

I live in Böblingen. There are many Turkish shops. People like to buy Turkish spices and Lokum there. Lokum are sweets with different flavours. They are soft and sticky. There are some Chinese shops too. People like to buy noodles and soy sauce there.

When you look around, you see some Chinese restaurants. The signs are written in Chinese.

You can also see a lot of Turkish takeaways. People like to go there because they like Döner kebab. You can listen to Turkish music at the Turkish festival. I like living there because I like Turkish food and music.
