# Kopiervorlage 9b: Noah's Ark

Cut out the animals and find a good place for them on the ark. Then tell your classmates what they can see in your picture and what the animals are doing. You can draw in some details. Use: sit, stand, relax, sleep, swim, live, enjoy, be, eat, hide, lie, meet, run in the present progressive.

Lösung / Lösungsmuster: snakes, fish, turtles, lions, beavers, horses, cats, dogs, giraffes, rhinos, elephants, walruses, zebras, tigers, pigs, cows, bats, rabbits, mice, sheep. The lions are sleeping on deck. The mice are meeting in the galley/ kitchen. The fish are swimming in the swimming pool. The elephants are relaxing in the hall.

Find as many words as you can. You can go into all directions (↑ ↓ ← → ↖ ↗ ↘ ↙) but the letters must be in neighbouring squares. You can get as many points for each word as there are letters in it.
