Day 0 LET'S READ!

Hi Alex,

Thanks for your email. We **are** back from our holidays in Italy. We **had** a lot of fun there. The weather **was** great and the food **was** fantastic. There **was** only one day with stormy weather when we **couldn't go** to the beach. We **ate** a lot of shrimps and, of course, a lot of pizza. Rick **liked** the pasta best. He **ate** it every day, because he **doesn't like** fish. The sea **was** warm and the water **was** great. Dad **did** a lot of work on his laptop and mum **read** all three books she **packed** in her suitcase. My mum really **loves** reading. Rick and I **built** ten sandcastles on the beach. One day we **went** jogging. It **was** great to feel the warm sand under my feet. On the last day we **went** on a small cruise. Rick **got** seasick. He **was** really green in his face. Poor Rick.

The next two weeks Rick and I **are going to spend** at my grandparent's farm. There **is** always a lot of work on the farm, but I **am looking** forward to see all the animals. We **are going to feed** them and we **are going to play** with the cats and the rabbits. We **are also going to build** a tree house there. This **is** my last email, because my grandparents **haven't got** internet. **See** you soon.

Yours Anna
